POZIV

ZA UČEŠĆE NA ŠESTOJ MEĐUNARODNOJ KONFERENCIJI „PERSPEKTIVE PARTNERSTVA VLASTI, PRIVREDE I INSTITUCIJA VISOKOG OBRAZOVANJA U PODSTICANJU EKONOMSKOG RAZVOJA“

Ekonomski fakultet Brčko, Univerziteta u Istočnom Sarajevu, uz podršku suorganizatora, Vlade Brčko distrikta Bosne i Hercegovine, Ekonomskog fakulteta u Subotici, Perm State Agro-Technological University Russia, Voronezh State Agricultural University Russia, Aleksandras Stulginskis University, Faculty of Economics and Management, Lithuania, Elektrotehničkog i Filozofskog fakulteta Univerziteta u Istočnom Sarajevu, Fakulteta za hotelijerstvo i turizam Vrnjačka Banja, Selçuk University Konya-Turkey i Shanghai Polytechnic University, organizuje Šestu međunarodnu konferenciju na temu „**AKTUELNI PROBLEMI VISOKOG OBRAZOVANJA, NAUKE I PRIVREDE BOSNE I HERCEGOVINE, TE MOGUĆNOSTI NJIHOVOG PREVAZILAŽENJA**“ koja će se održati od **6. do 8. novembra 2019. godine**, u prostorijama Ekonomskog fakulteta Brčko.

Stanje i razvoj privrede zahtijeva postavljanje institucija visokog obrazovanja kao nosilaca promjena u javnoj administraciji, pomoću strategija razvoja, i u realnom sektoru, kao podrška procesu odlučivanja. S obzirom na činjenicu da je grad Brčko trgovački centar s dugogodišnjom tradicijom i sada, kao Distrikt Bosne i Hercegovine, privredni centar sa stabilnim budžetom, prepoznata je potreba za uspostavljanjem i unapređivanjem povezanosti između vlasti, privrede i institucija visokog obrazovanja. Interakcijom između vlasti, privrede i visokog obrazovanja stvara se mogućnost da institucije visokog obrazovanja uzmu učešće u kreiranju uslova za ekonomski razvoj i napredak lokalne i šire društvene zajednice. Cilj Konferencije je razmjena ideja, metoda i iskustava koje mogu da se primijene u širem području ekonomskog i društvenog života i usklađivanje studijskih programa visokog obrazovanja s potrebama privrede.

Zvanični jezici Konferencije su službeni jezici u Bosni i Hercegovini i engleski jezik.

CALL FOR PAPERS
The 6th International Conference on

**Perspectives of Government, Business and Higher Education Institutions partnership in
Fostering Economic Development**

November 6-8, 2019

Faculty of Economics Brcko, 11 Studentska, 76 100 The *Brcko District of Bosnia and Herzegovina*

Faculty of Economics Brcko, University of East Sarajevo, in cooperation with the Government of the Brcko District of BiH, Faculty of Economics in Subotica, Perm State Agro-Technological University Russia, Voronezh State Agricultural University Russia, Aleksandras Stulginskis University, Faculty of Economics and Management, Lithuania, Faculty of Electrical Engineering, Faculty of Philosophy, University of East Sarajevo, Faculty of Hotel Management nad Tourism, Selçuk University Konya-Turkey and Faculty of and Shanghai Polytechnic University organizes the 6th International Conference entitled **“CURRENT ISSUES IN HIGHER EDUCATION, SCIENCE AND ECONOMY AND CAPABILITIES FOR THEIR OVERCOMING”** that will take place at the premises of the Faculty of Economic Brcko.

The state of the economy requires strategic positioning of academic institutions as promoters of change, both in public administration, through the strategy of development, and in the sector of the real economy, through the support in the process of decision-making. Considering the fact that the Brcko District of Bosnia and Herzegovina has been a powerful trading center with more than a hundred years old tradition and stable budgetary inflows, the need for establishing a more compact synergy between local government, the real sector of economy and the institutions of higher educations has emerged. This interaction will allow academic institutions to take part in the process of generating conditions for economic prosperity of local community results in the District's economic recovery and help enable its further progress.

The aim of the Conference is the exchange of ideas, techniques, methodologies and experiences applicable to the wider areas of economic and social life, as well as to achieve the harmonization of higher education programs with the needs of the economy.
